Facts About Prairie View

NAME — Prairie View A&M University

FOUNDED — 1876 by the Fifteenth Legislature of the State of Texas

LOCATION — Prairie View, Texas. A university town located forty-five miles northwest of Houston on U. S. Highway 290.

ADMINISTRATION AND TYPE — A part of The Texas A&M University System. A Public state supported senior college. A Land-Grant College.

SPECIAL CHARACTERISTICS — A residential university which houses practically all of its students in dormitories. The university community is self-sufficient, having its own hospital, fire department, steam plant, water system, electrical system, sewer system, security system, telephone and telegraph system, U. S. Post Office, university exchange store, laboratory training schools and all other services to efficiently operate a small town.

ENROLLMENT — The faculty is versatile, well trained and experienced from Texas, 29 other states and 6 foreign countries.

FACULTY AND STAFF — 5500 co-educational Students are currently enrolled. Numbering 256, the present faculty members hold doctoral and master's degrees from the leading colleges and universities of the nation and world. The support staff consists of 716 persons.

ACCREDITATION — The university is accredited by the Texas Education Agency. The Southern Association of Secondary Schools and Colleges, The Association of Texas Colleges and the National Council for Accreditation of Teacher Education. All programs in engineering are accredited by the Engineer's Council for Professional Development.

ACADEMIC YEAR — The academic year consists of two semesters, each approximately 18 weeks in length. The summer session consists of two six-week terms.

LIBRARY — The W. R. Banks Library (named for a former president of the university) houses in excess of 150,000 volumes. It now has study space for 600 students simultaneously. A new addition was completed in September, 1968. The addition has doubled the capacity of the present library both in volume and study area. A complete renovation of the original portion was completed in September of 1969.

ALUMNI AND EX-STUDENTS — Over 45,000

CAMPUS AREA — 1,400 acres

SCHOOL COLORS — Purple and Gold

PRAIRIE VIEW A&M UNIVERSITY
PRAIRIE VIEW, TEXAS**

Greetings . . .

I am delighted to welcome each of you to the Tenth Annual "MISS PRAIRIE VIEW PAGEANT," and also to our University. As you know, Prairie View is a friendly University, and as President, I always anticipate the occasions upon which we as parents, friends, members of the community and alumni can fellowship together.

I am filled with pride as I sit tonight awaiting the young ladies who will compete for the title of "Miss Prairie View." Although there can be only one "Miss Prairie View," I am sure that we will depart knowing that each young lady is a winner in her own right.

All of the young ladies have exhibited exceptional grace and talent. To each of them I say, "Good Luck and continue to make the history of a great institution even greater."

Finally, to the Students, Faculty and Staff I extend my sincere commendation for putting together another outstanding pageant.

DR. ALVIN I. THOMAS
President, Prairie View A&M University

KATHY SUE BIGSBY

Miss PV Farewell Message

Into the second century, 1978-1979, Prairie View will continue its legacy of producing productive people into the mainstream of life. The inner peace and joy I have had representing you during this time is unmeasurable. These memories will forever be remembered and cherished. Further more, this opportunity and experience has given me a definite foothold into the mainstream of society.

Nevertheless, I wish to thank my beautiful parents, Mr. and Mrs. Edwin M. Bigsby, Sr. for their inspiration, guidance and love. Also, I wish to thank my brother, Edwin M. Bigsby, Jr. for always lending a helping hand. Next, I wish to thank: President A. I. Thomas, Rev. W. V. Johnson, Dean of Women, R. L. Bland Evans, S. Staples, D. Hunt, F. White, P. Kithcart, and special thanks to Mrs. Mary Clark. My deepest thanks to Mrs. Margret Sherrod whom I appreciate and dearly love. Most of all, I wish to thank each and every faculty member, fraternity, sorority, club, organization and student of the entire Prairie View family.

I hope the new Miss Prairie View will find the same inner peace and joy that I found in serving and representing you. And to the University as it enters into its second century, I say: "May the grace of God guide this university into the second century of success."

Miss Prairie View A&M 78-79,
Kathy Sue Bigsby

A word from the producer

In this, our tenth year in association with the "MISS TEXAS" — "MISS AMERICA" PAGEANT, Inc., we wish to salute the very fine experiences and rewards it has brought to the deserving young ladies here at Prairie View A&M University. Win or loose, it has afforded our contestants the opportunity to develop and showcase their charm and talent. It is our sincerest hope that we will continue to enjoy a successful and rewarding association with the "MISS TEXAS" — "MISS AMERICA" PAGEANT, INC.

Former queens, having captured the title of MISS PRAIRIE VIEW, through the "MISS PRAIRIE VIEW" PAGEANT are:

'70-'71 Margaret Penn	'75-'76 Althea Tate
'71-'72 Sandra Baker	'76-'77 Shelley Townsend
'72-'73 Berndine English	'77-'78 Tamra Wiley
'73-'74 Eunice Cartwright	'78-'79 Kathy Bigsby
'74-'75 Mary Washington	'79-'80 ?

The "MISS PRAIRIE VIEW" PAGEANT is also proud to have as a part of its program this evening, the Castleers from Castlemont High School for the Performing Arts in Oakland, California.

This outstanding singing aggregation has performed in many countries throughout the continent of Europe, including Belgium, Holland, Germany, Switzerland and France. Their travels have also taken them throughout the United States and Mexico.

The Castleers perform under the direction of teacher-director, Mr. Phillip Reeder, and has among its repertoire of songs classics, black spirituals, gospels, popular, rock and jazz.

Our thanks to Principal Winston A. Williams of Castlemont High School for allowing this very talented group to visit with us.

colleges and universities. The acquired disciplines of mind and spirit, and the ability to perform under pressure, are important to us. The people who demonstrate these qualities are the people we want to become Army officers.

The benefits are as great as the demands. Scholarship opportunities. Practical experience as a leader and a manager. And a monthly subsistence allowance of \$100 a month for up to 20 months during your last two years of college.

So if you're thinking of taking Army ROTC, what we offer has to be weighed carefully against what we expect in return. A man or woman who is ready to serve as an Army officer. And be worthy of the gold bars.

That responsibility is to lead. And today, in an Army of better educated and highly motivated young men and women, the demands on a young officer are tougher than ever.

You not only have to manage people, but money and materials as well. To make more important planning decisions than most young executives.

The need for such people is one reason why Army ROTC is offered to veterans at hundreds of
